Valley Regional Transit has a new bus service in Eagle!

The 160 Eagle OnDemand is a new VRT OnDemand bus service for the City of Eagle and nearby destinations. Instead of running on a bus schedule, it picks you up by request, Monday through Friday from 8 a.m. to 5 p.m. Book a trip, then go to the designated location to meet your bus!

In Eagle, VRT OnDemand accompanies Eagle Senior Transportation Service, which is a VRT-provided, application-only service for seniors.

Where can you ride?
